Guidelines and Rules

- Judge beer to style, not whether you like it or not.
- If you're not familiar with the style ask!
- Brewers work hard at their craft and are sharing their beer with you to learn.
- The brewer might be sitting next to you, so be considerate of what you say - offer constructive feedback if you detect a flaw.
- Maximum Beer Score is 50
- Minimum Beer Score is Unlucky 13 - **Explain the Score!**
 - Outstanding (45 - 50): World-class example of style.
 - Excellent (38 - 44): Exemplifies style well, requires minor fine-tuning.
 - Very Good (30 - 37): Generally within style parameters, some minor flaws.
 - Good (21 - 29): Misses the mark on style and/or minor flaws.
 - Fair (14 - 20): Off flavors/aromas or major style deficiencies. Unpleasant.
 - Problematic (13): Major off flavors and aromas dominate. Hard to drink.
